

The Regina Chapter of the Ostomy Canada Society in collaboration with the Ostomy & Wound Care Clinic is offering an **OSTOMY VISITOR TRAINING** session.

The purpose of the visitor education program is to qualify members of the Regina Chapter as certified ostomy visitors and to make visitors available to patients with all types of ostomies in order to:

- Offer reassurance, understanding and practical information.
- Help the patient regain self-confidence and boost morale.
- Assist the patient and the patient's family in their emotional and social rehabilitation.

This training program will be held:

Wednesday, November 7, 2018
6:30 to 9:00 p.m.
Pasqua Hospital, Meeting Rooms 4 and 5, Level 0

If you would like to be an ostomy visitor and can attend our program, please call Patty at the Ostomy & Wound Clinic at 306-766-2271 **before Thursday, November 1** to register. Spouses or significant others are welcome.
